Teacher: Today, we're going to talk about volunteer work. Have any of you volunteered before?

Kevin: Yes, I have. I actually cleaned the park with my neighbors last Sunday.

Teacher: That's wonderful, Kevin. You know, there are many people who need help in the world.

Lucy: Is there anything we can do for them?

Kevin: I think we can send them something they need.

Teacher: That's a great idea. What do you think we can send them?

Lucy: How about some food or drinks?

Kevin: We can also send them some money.

Teacher: Yes. We can donate food, drinks, or some money to a charity. Well, let's talk more about it next week.

Class: Okay.

Teacher: And for your summer homework, you'll need to write a report about it.
